

4 Bedroom home on a 600m2 block

This modern and spacious 4 bedroom home has been designed with family living and entertaining in mind. A practical floorplan and exceptional attention to detail will tick all the boxes and mean that even the most astute buyers will be impressed.

The oversized open plan living area is perfectly located in the centre of the home, and seamlessly incorporates the dining area and family kitchen into the space. Neutral tones with a touch of colour from the feature walls and window dressings, adds a stylish finish which would suit any décors.

Step outside and be welcomed by the choice of 2 entertainment areas. On a hot balmy night open the sides of the gazebo and take in the breezes with a cool drink, then when the weather turns a little cooler the underroof entertainment area would be the ideal spot for an evening BBQ.
