

Laid-back family living on a large block with a pool

Perfectly positioned on a 944sqm flat corner block along a quiet cul-de-sac is this idyllic family home. The generous layout is as functional as it is comfortable with multiple living spaces and room to entertain guests outdoors while overlooking the sparkling in-ground pool.

Set in the heart of the home is the open-plan kitchen with sweeping benchtops, breakfast bar seating, a walk-in pantry and a dishwasher. The home chef will never have to feel left out from the action as the kitchen overlooks the dining room and has easy access through to the light-filled lounge room and living area.

Three bedrooms have built-in robes and easy access to the main bathroom while the master boasts a walk-thru robe, external access and an ensuite.

At the end of the day, you can kick back and host friends and family on the covered patio as the kids splash in the tropical-style pool with a rock waterfall and a Bali hut. Extra features include a double auto garage, a garden shed and a prized location close to bus stops, parks and Immanuel Lutheran College.
