

Parkland is your neighbour!!

Centrally located in beautiful Mountain Creek, at the end of a quiet cul-de-sac, close to the lake and parkland sits this character-filled family home that is offering so much for so little.

This 3 bedroom plus study home also boasts two separate living areas, a spacious timber kitchen including a dishwasher. The three double bedrooms have built-ins and ceiling fans with great separation between the master bedroom and the two other bedrooms. The master bedroom has an ensuite and it's own sliding door to the outside verandah. The cosy lounge provides access to the study, which would be ideal as an office or study area.

The home has two separate verandahs with the rear verandah being large enough for any family get-together or BBQ while overlooking the natural parkland.. home to the many forms of birdlife in this area.

The double auto garage is seperate from the home and large enough for that ever important storage area.
